

WORLD CONGRESS

12 to 13 October 2022 in Munich

Opportunities

We are pleased to alternatively offer you an attractive PLATINUM, GOLD or SILVER sponsorship package as well as other sponsoring opportunities which please find below. Sponsoring is only allowed for EHEDG Member Companies. If you are interested in the Congress Sponsoring but not EHEDG Member, please join the hygienic design network. For more information about membership please visit the [website of EHEDG](#).

The target group of the EHEDG World Congress are EHEDG members and all people interested in hygienic design and the related areas. We plan with 450 attendees from all over the world. The main part will be from Germany and northern Europe. Beside equipment manufacturers, there will be also a lot of food producers, engineering companies, plant manufacturers and people from academia. To this congress, we will also invite students to show them the important platform of hygienic design and give the sponsors the opportunity to get in contact with the experts of the future.

Registration

The registration will be possible from August 2019.
